

# Circuit One

**Electricity is very useful,  
but Gilbert says "DON'T WASTE IT!"**

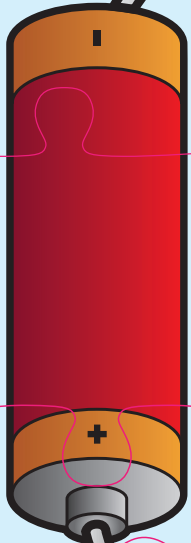

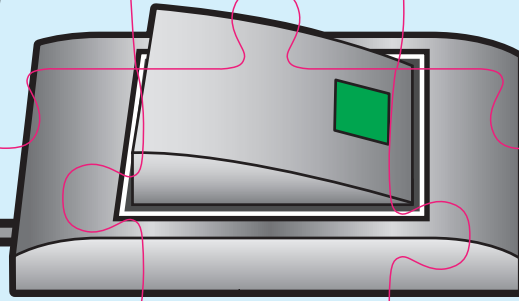

- Remember to turn the light off when you leave the room.
- Switch your games off when you finish playing with them.
- Close the fridge door quickly to save cold air and electricity.

**HORIZON  
POWER**

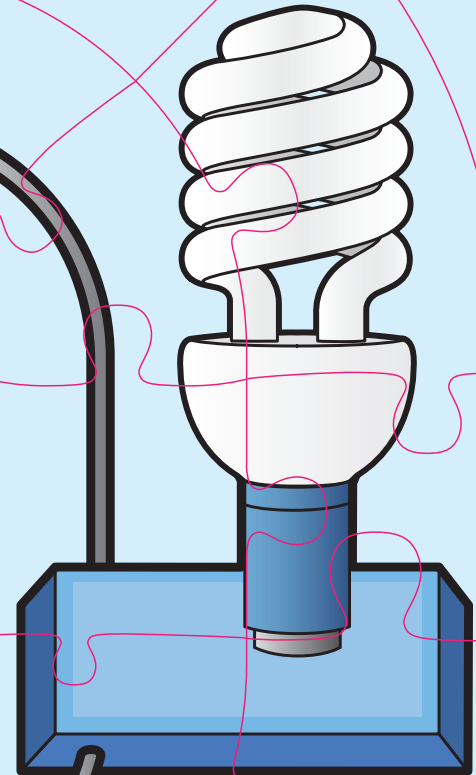

# Circuit Two

**Electricity is very useful,  
but Gilbert says "BE AWARE!"**

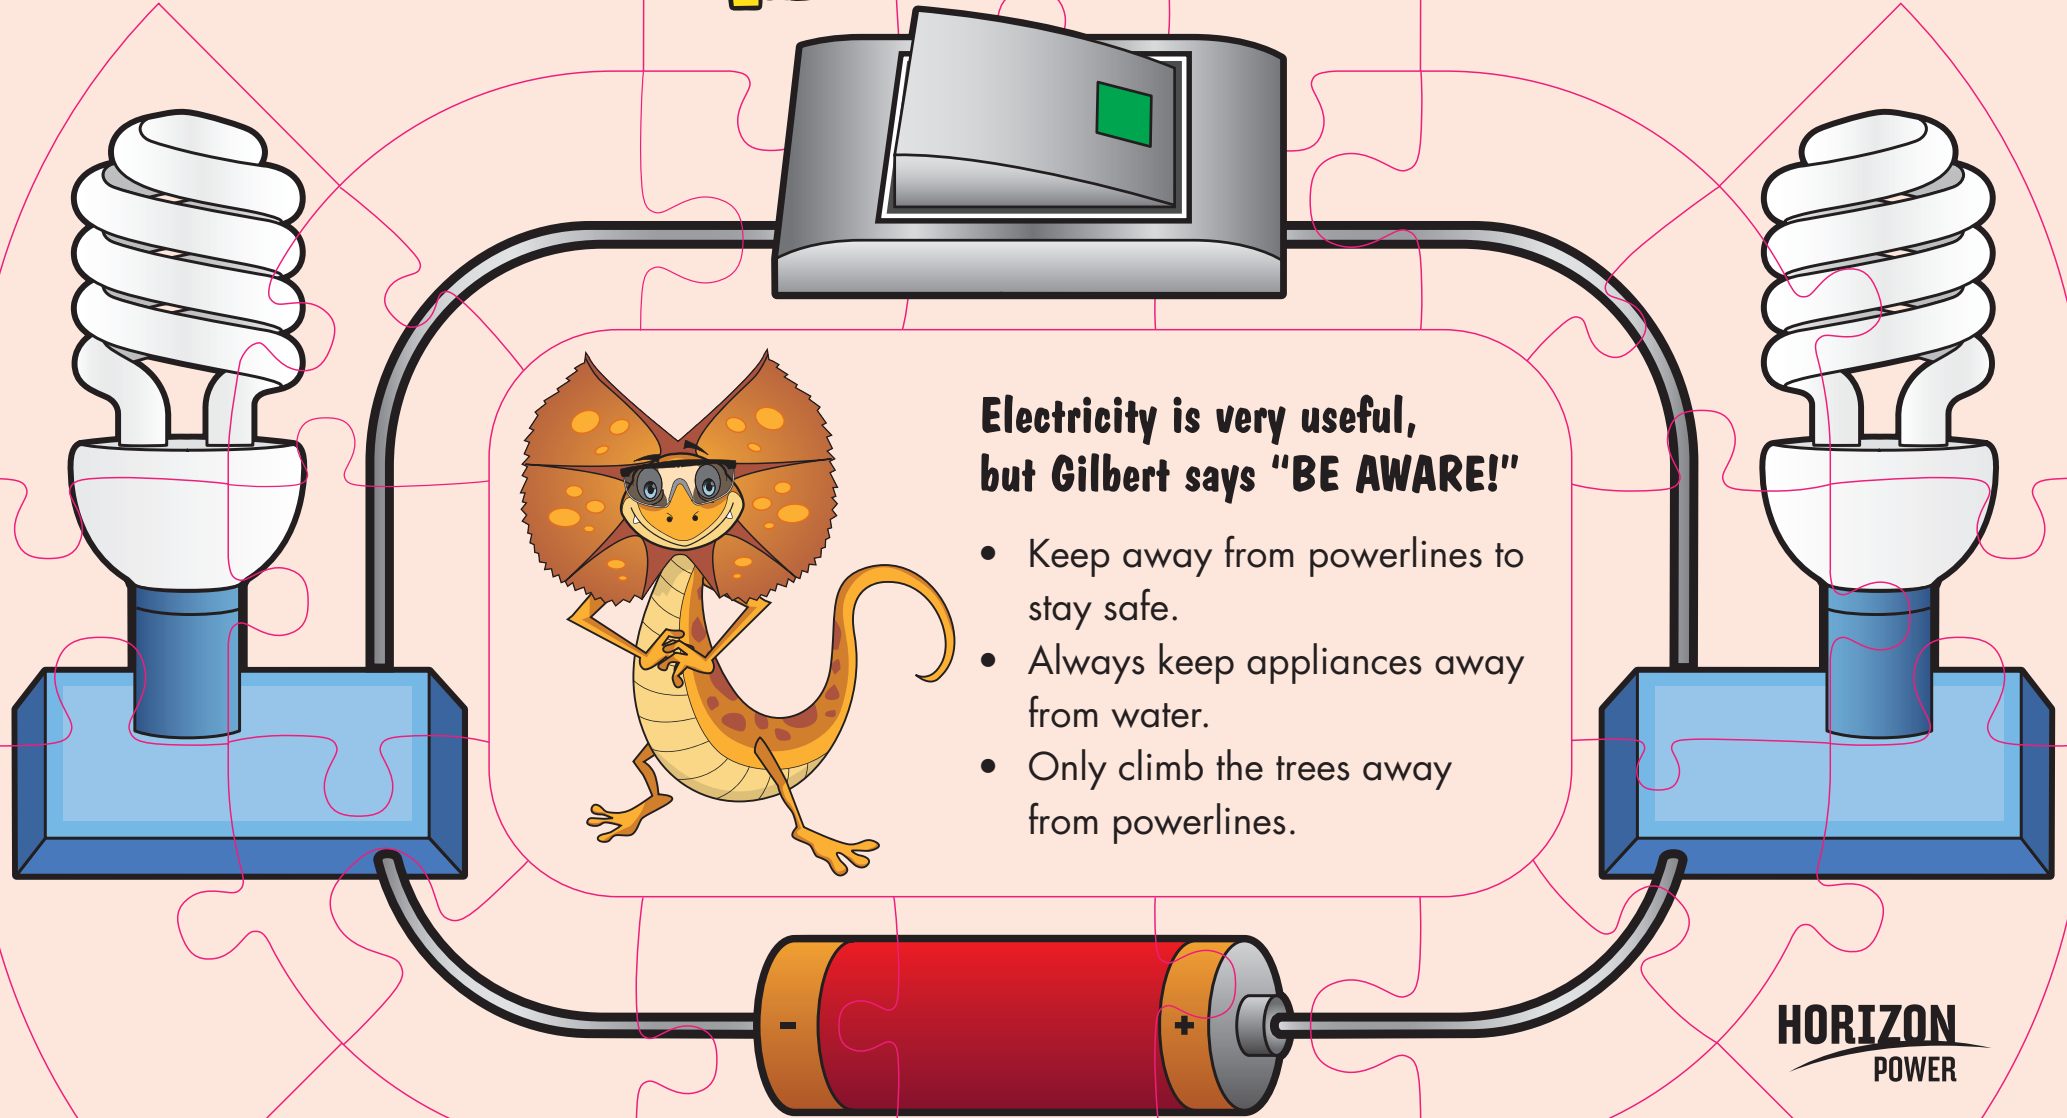

- Dry your hands before touching electrical appliances.
- Use a power cord to safely connect more than one plug.
- Unplug your toaster if your toast gets stuck.

**HORIZON  
POWER**

# Circuit Three

**Electricity is very useful,  
but Gilbert says "BE AWARE!"**

- Keep away from powerlines to stay safe.
- Always keep appliances away from water.
- Only climb the trees away from powerlines.

**HORIZON  
POWER**
